Our charges for a Hills Cemetery Chapel Service and Cremation-only at Worthing Crematorium

Freeman Brothers is pleased to offer a package for funerals with a service at Hills Cemetery Chapel followed by a 'Cremation-only' at Worthing Crematorium. This enables our customers to have a service in Horsham at a day and time that suits them. The coffin will be brought to the Chapel prior to the service so it is ready when the congregation arrives and will be returned to our premises afterwards. The Deceased person is then conveyed to Worthing Crematorium - typically at a day and time of Freeman Brothers' choosing shortly after the service in Chapel.

This packaged service provides the convenience of a local funeral, with the music and webcasting facilities you would find in a Crematorium Chapel, and the added benefit of a longer service time. It is also more cost-effective than our equivalent Traditional Funeral for a service at Worthing Crematorium.

Our fee comprises a number of elements which include a service charge, the cost of the coffin, transport to and from the Cemetery Chapel and to the Crematorium, the required staff, and the use of the Chapel and the Chapel Attendant.

Additional services, such as limousine(s), printed Orders of Service, ashes caskets and cremation jewellery are available at supplementary cost. Please see our price list for additional items for these costs.

Our Service Charge includes our professional services in assisting with the arrangements including liaison to arrange a suitable reservation for the Cremation and Cemetery Chapel; the completion and safe delivery of required statutory documents; the engagement of and all liaison with the officiant; a local journey to bring the deceased person to our Chapel of Rest during working hours; the preparing of the Deceased person for their funeral including dressing and embalming if required; visits to the Chapel of Rest at prearranged times within our working hours; the handling of any flowers and donations; the placement of any obituary notices; the maintenance of our equipment and premises to facilitate the arrangements; the provision of a 24-hour telephone service to deal with emergencies and answer enquiries; and all the advice and guidance we offer throughout the process and after the cremation has taken place. **£1675**

We typically obtain the information we require from you to make the preliminary funeral arrangements by telephone and/or email, and then arrange a mutually convenient meeting at which we discuss the remaining details and complete the statutory paperwork. If, however, you would prefer to make the arrangements remotely, and complete the paperwork during a brief appointment or by post, we offer a discount on the above, and offer our 'remote' arranging service at **£1575**

Transport to and from Cemetery, and to the Crematorium in a hearse ... **£535**

Staff **£380**

Use of the Chapel and Chapel Attendant **£384**

This includes: the use of the Chapel for a one-hour service; music system; the displaying of one photograph on the screen throughout the service or at a time of your choosing; and our Chapel Attendant, who will: arrive at the Chapel in advance; ensure the facilities are prepared and tidy; greet the congregation and assist in seating them; check the music system in advance and operate it during the service; remain in the Chapel after the service until the congregation has departed.*

This service is currently only available for cremations at Worthing or Wealden Crematorium. Should a different Crematorium be required, a service in the Cemetery Chapel can be held before this, and the cost of our Traditional Funeral will apply. Should you wish to use a hearse instead of hearse and follow it, or to be able to attend the Committal immediately after the service, the cost of our Traditional Funeral will apply.

Please see page 4 for the costs of extra available services within the Chapel such as visual tributes and webcasting.

How much will the funeral cost?

Our charges will be made up of the applicable service charge, transport and staff costs, plus your chosen coffin (see our brochure outlining the choices available) and any supplementary charges. Additionally, you will need to pay disbursements, third party charges which are outside of Freeman Brothers' control such as the fee for the crematorium and an officiant, amongst other factors. Please contact us to discuss your requirements and we will be able to give you a full estimate.

*extra time in the Chapel by prior arrangement at no additional charge
