Prepaid Funeral Plan tier details

Services included within all tiers:

- Advice and help when the arrangements have to be carried out
- Bringing the deceased person into our care from within the mainland of Great Britain
- Preparation and care of the deceased person
- A coffin as specified
- Provision of the hearse (which, for all tiers apart from the Basic tier, can be followed from an address in a cortege)
- Attendance of our staff before, during and after the service

None of our tiers include the likely additional costs that may be incurred should death occur outside the mainland of Great Britain. Insurance policies, such as travel insurance, often include cover for such circumstances.

Costs that your representatives may choose to incur at the time of arranging your funeral, such as floral tributes, a reception, or monumental masonry (such as a headstone) are payable at that time and not included in any of our prepaid funeral plan tiers- although monumental masonry can be included in a tailor-made plan.

Value declaration

Freeman Brothers wants to ensure that customers who choose to pay for their funeral in advance receive good value in comparison to buying an equivalent funeral at the point it is purchased. Our prepaid funeral plans are priced to be cheaper, or cost the same as, an equivalent at-need funeral provided by Freeman Brothers. The following table shows a comparison between these costs:

Product	Price	Equivalent at-need funeral price	Difference
Basic	£3350.00	£3610.00	-£260.00
Simple	£3850.00	£3990.00	-£140.00
Standard	£4300.00	£4425.00	-£125.00
Principal	£4800.00	£5230.00	-£430.00

For more information about value comparisons for our direct cremation plan and tailor-made plans, please see the application form for each product.

The money paid for a prepaid funeral plan is invested in the Freeman Brothers Funeral Trust. There is a charge of £199.00 if the plan is cancelled after 30 days or the moratorium period, for plans sold on an instalment basis.
